1. The CANADIAN NATIONAL SILVER FOX BREEDERS' ASSOCIATION conducts a Fur Marketing Department at Summerside, P.E.I.
2. This Department is prepared to market ALL your furs, whether Silver Fox, or sundry furs and welcomes consignments from non-members as well as members.
3. Inward Express charges are absorbed, but parcels by mail must be postpaid.
4. All inward shipments are covered by a blanket insurance policy, less than \$50.00 liability automatically assumed by the Express Company, provided the shipper advises us at time of shipment, the date consigned, the contents of the shipment and its approximate value.
5. All merchandise is protected with insurance while in our possession, while in transit to the fur centres, and until disposed of, without extra charge to the shipper.
6. Your interests are protected at each sale either by a representative of the Marketing Department or by other arrangements that ensure your furs against being sold below their market value.
7. Banking arrangements have been effected whereby an advance of 60 percent of OUR valuation may be obtained.
8. This Department is operated on a non-profit, or co-operative basis, hence has not to provide dividends for shareholders.
9. No extra commission is charged the shipper for these services. He receives full selling price less actual commission charged by the sales house, and our modest handling charges.
10. We believe that our system provides greater advantages to the shipper than that of any other selling organization.
